Workforce Development Funding

www.doleta.gov/business/Community-BasedJobTrainingGrants.cfm

Department of Labor Employment and Training Administration (DOLETA)

These grants are employer-focused and build on the High Growth Job Training Initiative, a national model for demand-driven workforce development implemented by strategic partnerships between the workforce investment system, employers, community colleges, and other training providers. The primary purpose of the Community-Based Job Training grants are to build the capacity of community colleges to train workers to develop the skills required to succeed in high growth/high demand industries.

www.doleta.gov/brg/grants/eta_default.cfm?attribute=by_area&type=both

Department of Labor information by state.

Education Resources Information Center's Guide to Federal Sources for Workforce Development Initiatives.

An overview of strategies for gaining access to and using federal funds, as well as a catalog of 87 funding sources that can support workforce development initiatives for adults and youth.

greenjobs.workforce3one.org/

Green jobs. Workforce3one.

The Employment and Training Administration (ETA) has launched the Green Jobs Community of Practice (CoP). This online virtual community is available through ETA's knowledge sharing and learning platform and was established to create partnerships for Green Job Workforce Solutions and leverage Recovery Act investments.

www.recovery.ny.gov/Handbook/Handbook.htm

NYS Economic Recovery Handbook (Information on ARRA can apply to every state).

To help New Yorkers secure funding, the NYS Economic Recovery Cabinet has listed nearly every funding opportunity included under the ARRA on the page below. The links contain a description of the federal funding, New York's share (if any), and the types of entities able to directly apply for funding. Additionally, forms are provided for contacting state agencies responsible for administering programs in addition to other relevant information.
